Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

**PETITION TO WITHDRAW HOLDING OF ABANDONMENT BASED ON FAILURE TO  
RECEIVE OFFICE ACTION**

Applicant received a Notice of Abandonment ("Notice") mailed December 31, 2008 indicating that Applicant failed to file a timely reply to an Office Action mailed May 19, 2008. A copy of the Notice is enclosed (Exhibit A). This matter has been thoroughly investigated, and it has been determined that the Office Action was never received at the correspondence address of record. Accordingly, Applicant petitions the Commissioner under 37 CFR 1.181(a) to withdrawal the holding of abandonment and to re-mail the Office Action.

In the ordinary course of business, the Office Action would have been received by the undersigned's firm within a few days of the mailing date of the Office Action and entered into the firm's computerized mail log. A copy of the mail log listing correspondence received from the U.S. Patent and Trademark Office between May 19, 2008 and May 24, 2008 is enclosed (Exhibit B). Entries in the mail log are organized by date received, attorney docket number, document type, application serial number, and client reference number, among other things. The attorney docket number and application serial number for this application are 08178.0038 and 10/593,065, respectively. No entry for the attorney docket number and/or the application serial number, however, is contained in the mail log.

Provided that the Office Action was received, it ordinarily would have been entered into the firm's electronic docketing system with a due date of August 19, 2008 (3-month date). A copy of the firm's docket report for August 19, 2008 is enclosed (Exhibit C). The docket report lists for each entry the action due and the attorney docket number, among other things. No entry for responding to the Office Action is contained in the docket report, however.

Moreover, the actual paper file for this application was searched, but the Office Action was not found.

In accordance with 37 C.F.R. § 1.181, it is respectfully requested that the holding of abandonment be withdrawn and that the Office Action be re-mailed. No fee is believed to be due in connection with filing this Petition. MPEP § 711.03(c).

Please grant any extensions of time required to enter this Petition and charge any required fees to our Deposit Account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
